KYTC Office of Human Resource Management, Professional Development

Brian Ingle

Brian has a passion to help people find satisfaction in life and work. He is a student of leadership and has been creating and facilitating various trainings and leadership experiences for 15 years. Brian's leadership experiences span all three sectors - private, public, and non-profit.

Brian loves creating and presenting a wide variety of dynamic learning experiences for employees at all levels of the Transportation Cabinet. He has been instrumental in the development and presentation of approximately 30 instructor-led courses, in addition to leading the Cabinet's Advanced Leadership Academy (ALA).

As the Professional Development Branch Manager, Brian oversees online and instructor-led training, recruiting, the Engineering Scholarship Programs, and a Minority Internship Program for the Transportation Cabinet.

JP Vick

JP Vick is passionate about helping others excel in their professional and personal lives. Dr. Vick currently serves as a Training and Development Specialist for the KY Transportation Cabinet's Professional Development Branch. He holds a doctoral degree in Organizational Leadership and has over a decade of experience working in a variety of non-profit and for-profit leadership positions. Dr. Vick has found his niche in teaching, coaching, and inspiring.

Chiffon M. Robinson

Currently, Chiffon Robinson serves as a Training Development Specialist for the KY Transportation Cabinet's Professional Development Branch; with previous experience as a Human Resource Specialist. She holds a master's degree in Public Administration, Human Resource Management; and intends to continue furthering her education. Chiffon possesses over a decade in leadership experience, that expands from private, public and non-profit sector positions. Her hopes is that she will continue to add value to the cabinet in which she serves.

Passionate about teaching and inspiring others, Chiffon is always looking for ways to bring joy and excitement to the classroom. As a lover of knowledge, Chiffon aims to expand her area of influence to impact others around her for the better. She is a strong believer that knowledge is power and is always looking for ways to expand her knowledge. As a leader in her community, church, workplace and family, Chiffon understands that where much is given, much is expected; therefore, her purpose is to simply encourage others with the empowerment of knowledge.
